

INTRODUCING

NEW ENDEAVOUR

Ford

# MAKE EVERY DAY EPIC

---

Engineered for extraordinary, the New Endeavour with premium interiors is built to take on the most epic adventures and conquer tough terrains with ease.

Image shown on this page is of 3.2l Titanium+.

Water Wading tested in 800mm of water with maintaining a speed of not more than 7 km/hr. For using Terrain Management System, the driver is responsible for assessing off-road situations, determining if the terrain is passable and using appropriate off-road driving techniques. To activate Rock mode, vehicle must be stationary and in 4x4 low range.

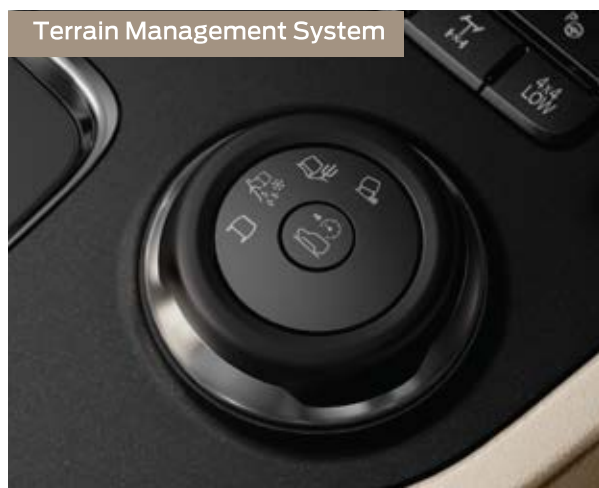

# MASTER ANY TERRAIN

The New Endeavour's Terrain Management System ensures maximum traction and stability across all terrains.

**Sand** - Drive effortlessly with increased accelerator sensitivity and aggressive wheel spin.

**Snow/Mud** - Manoeuvre smoothly on snowy and muddy surfaces with optimised traction and control.

**Rock** - With this mode, keep 4WD in first gear for superior control and tackling rocky terrains.

# CLIMB WITH CONFIDENCE

The New Endeavour's comprehensive Electronic Stability Control system helps you be in control of tough situations.

**Rollover Mitigation** uses a gyroscopic sensor to ensure grip and control, reducing the risk of rolling, especially while taking tight corners or overtaking.

**Hill Launch Assist** automatically holds the brakes to prevent roll-back while on an incline.

**Traction Control** maximises traction and prevents wheel spin.

**Hill Descent Control** takes control of braking on steep downhill roads.

# CONTROL YOUR WORLD

The New Endeavour's intuitive technology works as per your need, so you can simply enjoy the drive.

**SYNC™3** preps you for your adventurous journeys with its more intuitive and responsive features.

**Semi Auto Parallel Park Assist** finds parallel or perpendicular parking spaces and practically parks the car itself.

# TRAVEL FIRST-CLASS EVERYWHERE

The upgraded detailing and stitching, premium door inserts fabric and a bold crafted gear knob design make driving the New Endeavour a first-class experience.

**PowerFold® Third Row** folds flat at the touch of a button, giving you abundant cargo space.

**Seven Leather Upholstered Seats** Both, the driver and front passenger seats are 8-way power adjustable to fine-tune your seating positions.

**Panoramic Sunroof** covers nearly 50% of the roof space, letting you experience the outside world at the touch of a button.

# FEATURES TO KEEP YOU SAFE

**Seven Airbags** that include one for the driver's knees.

**Ultra-High Strength Steel** for your safety.

Reverse with confidence with the **Rear-View Camera**.

The **Rear and Front Parking Sensors** also alert you against any obstacles.

# STURDY YET SMART

The New Endeavour's intuitive technology lets you enjoy the drive without any distractions.

## **Hands-Free Power Lift Gate**

Just trigger the sensor with your leg and the lift gate will open and close automatically.

## **Keyless Entry & Push Button Start**

Set off on your journey without taking the SUV key out of your pocket.

# POWER YOUR ADVENTURES

The New Endeavour's engine is powerful yet efficient. And its sleek aerodynamic design with a new grille helps in greater fuel savings.

**3.2l TDCi** The all-powerful, 3.2l TDCi diesel engine gives you extra power to tackle the toughest off-road obstacles.

**Power:** 200 PS(147kW) **Torque:** 470Nm

\*Conditions and exclusions apply. Images and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford India Private Limited ("Ford") reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order. 2 years factory warranty + 1 year extended warranty. Some driver assistance and safety features described above are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Features may vary from model to model. Bluetooth® is a registered trademark of Bluetooth® SIG Inc., and is used under license. Operating certain parts of the SYNC® system while driving can distract your attention away from the road and may be prohibited by local laws. Do not change system settings or enter data non-verbally (using your hands) while driving. Fuel economy is as per ARAI. Fuel economy is for 2.2l diesel Titanium 4x2 MT and 2.2l diesel Titanium+ 4x2 AT. Stop the vehicle in a safe and legal manner before attempting these operations. Always make sure that you comply with local road laws/ rules when using the SYNC® system. SYNC® promotes safer driving by ensuring hands are on wheels and eyes on the road. Ford does not recommend using mobile phone while driving. Ford India Pvt. Ltd. (CIN No. U34103TN2000PTC045537). \*Spare wheel provided is a steel wheel (not alloy) across all variants. Registered Office: at SP Koil Post, Chengalpattu-603204, District Kancheepuram, Tamil Nadu, India, Endeavour Brochure, printed in February, 2019.
