

ENDEAVOUR

Because we want you to conquer the odds.

Ford Endeavour transforms every trip into a unique adventure. The nifty Terrain Management System lets you navigate any terrain, be it going to the market next door or taking a trip through different rough terrains. Simply turn the dial and set off.

ROCK MODE

All images on this page are of 3.2L Titanium.
For using Terrain Management System the driver is responsible for assessing off-road situations, determining if the terrain is passable and using appropriate off-road driving techniques. To activate Rock mode, vehicle must be stationary and in 4x4 low range.

Take on any terrain.

Blaze a course through sandy surfaces effortlessly. Just turn on **Sand Mode** to enjoy increased accelerator sensitivity and aggressive wheel spin. Or choose the **Snow/Mud Mode** and shift through snow and rough gravel easily with optimised traction and control. Conquer extreme off-road terrain with the **Rock Mode**. Choose this mode to keep the 4x4 in first gear, for superior control. And in any of these modes, view the All-New Endeavour's driveline torque, vehicle pitch and roll easily on the dashboard display.

OFFROADING CAPABILITIES

2.2L TDCi DIESEL

HORSE POWER

118 kW

TORQUE

385 Nm

3.2L TDCi DIESEL

HORSE POWER

147 kW

TORQUE

470 Nm

Extraordinary performance meets exceptional efficiency.

Elevate your expectations of an SUV. Ford Endeavour packs impressive power that you can rely on, without compromising on fuel efficiency. All the while, its sleek **aerodynamic design** delivers greater fuel savings. Now no journey is too far.

If you're keen on the super powerful 3.2L, then you'll be happy with the extra kilometers built into its fuel economy.

HILL LAUNCH ASSIST

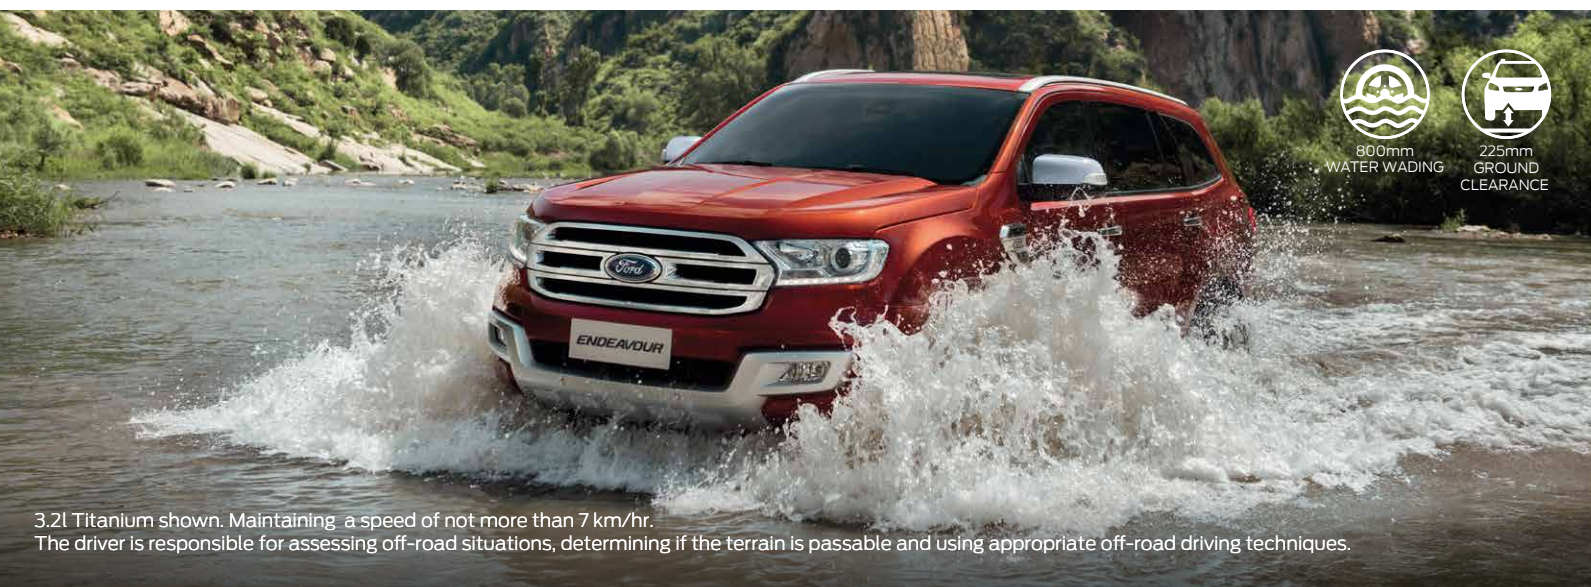

HILL DESCENT CONTROL

*Available on 4x4 variant only. 3.2L Titanium shown.

Climb with confidence.

Negotiate tough slopes with Ford Endeavour, easily and confidently. On an incline, **Hill Launch Assist** assures a smooth start. Take your foot off the brake, and it holds for a few seconds. Step on the accelerator, and you're off. **Hill Descent Control*** uses the brake system to help you descend slopes at a safe and steady pace, in full control. Simply take hold of the steering wheel. Endeavour does the rest.

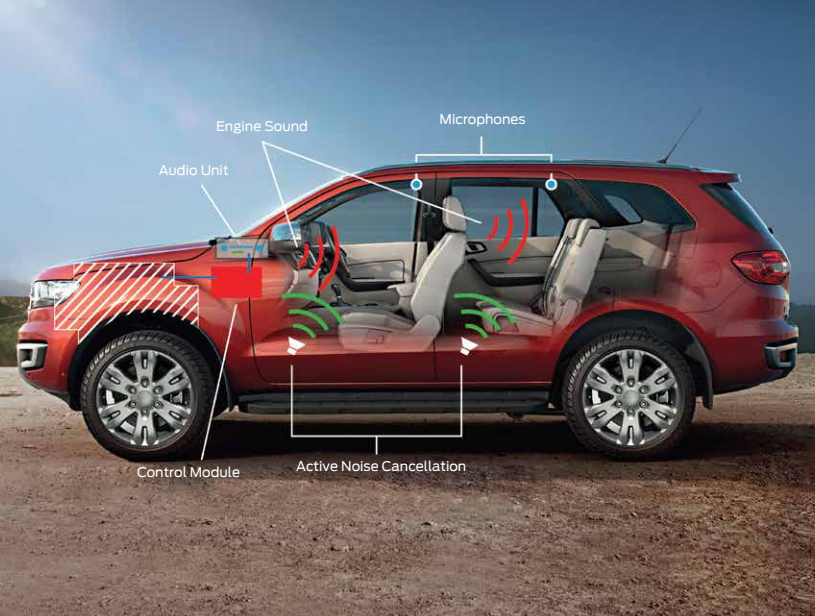

800mm WATER WADING

225mm GROUND CLEARANCE

3.2L Titanium shown. Maintaining a speed of not more than 7 km/hr.

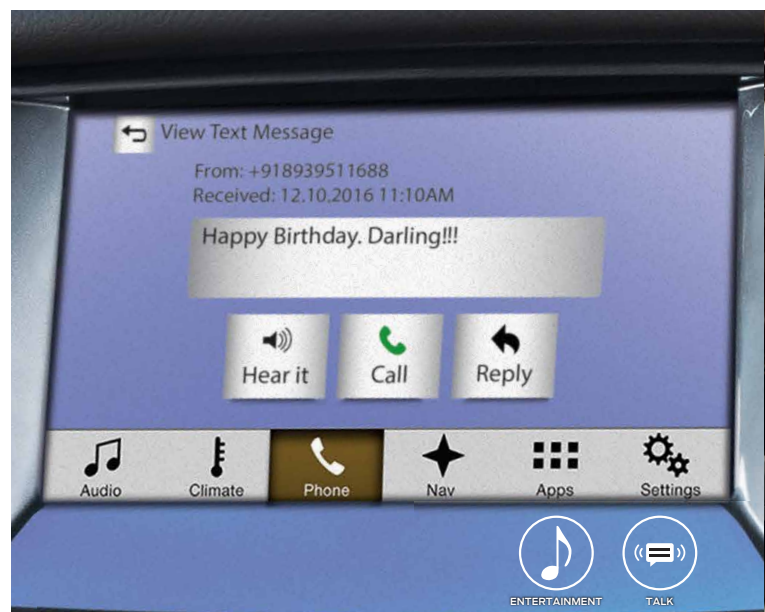

The driver is responsible for assessing off-road situations, determining if the terrain is passable and using appropriate off-road driving techniques.

Travel first-class everywhere.

Looking for elevated luxury? Ford Endeavour comes with **Seven Leather Upholstered Seats** with an 8-way power driver's seat. All this with power lumbar to provide premium comfort for the ultimate riding enjoyment, wherever you find yourself.

Inspired by popular noise-cancelling headphones, Ford Endeavour's **Active Noise Cancellation** uses three highly sensitive microphones to detect and measure engine noise, then cancels it using opposing sound waves. Silence is truly golden in here.

Control your world.

Improve your driving experience with technology that's intuitive to your needs. Ford Endeavour's sensors and radars work with you, so you can simply enjoy the drive.

The SYNC® 3* is all ears.

Call family and friends just by saying their name.

Ask it to read out **incoming texts**.

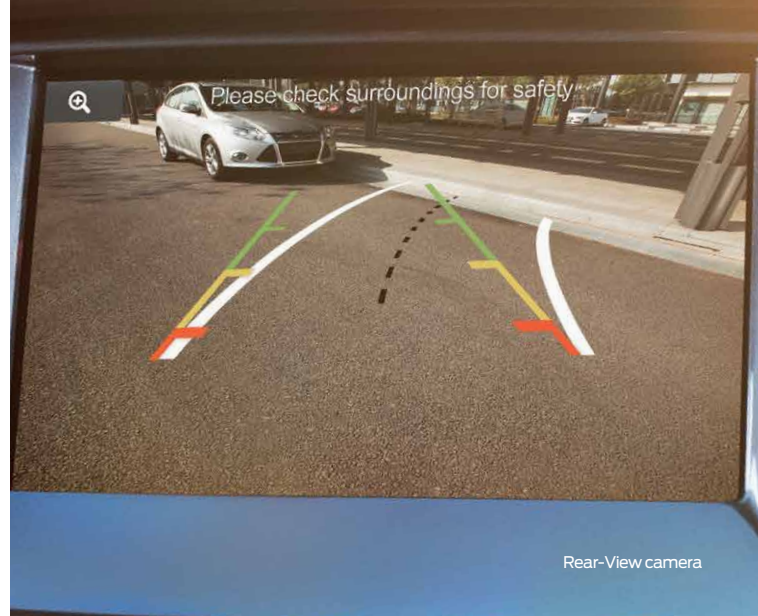

Play music the way you like.

All the while, your hands stay safely on the wheel and your eyes on the road. Plus, its touchscreen and two USB ports make it easy to view and use multiple devices.

Thanks to the easy-to-read **Configurable LCD Colour Displays in Ford Endeavour's instrument cluster**, everything from performance to navigation and entertainment, is right in front of you on low-glare, high-quality flat screens.

Never fear parallel parking again. At the press of a button, **Semi-Auto Parallel Park Assist** helps locate the right-sized parking spot and steers your SUV in. Simply take your hands off and watch it park perfectly.

*Operating certain parts of the SYNC® system while driving can distract your attention away from the road and may be prohibited by local laws. Do not change system settings or enter data non-verbally (using your hands) while driving. Stop the vehicle in a safe and legal manner before attempting these operations. Always make sure that you comply with local road laws/rules when using the SYNC® system. SYNC® promotes safer driving by ensuring hands are on wheels and eyes on the road. Ford does not recommend using mobile phone while driving. Features described are for 3.2i Titanium.

Features that have you covered.

Protection is key to peace of mind. **Seven Airbags** and ultra-high strength steel provide a network of protection, with front seat driver and passenger airbags as well as seat-mounted side airbags. Side-curtain airbags provide protection for people in the front and the back. There is even an airbag for the driver's knees.

Reverse with confidence. Get a full and clear vision of what's behind you with the **Rear-View Camera**. The sound of the **Rear Parking Sensors** also alerts you to any obstacles.

Load cargo and just go.

Leave nothing behind. Ford Endeavour's interior is designed to get all your people or equipment, gear and supplies, from point A to point B, capably and efficiently. Switch between cargo and people easily with the flexible configuration of the 2nd-row 60/40 Split Seat and 3rd row 50/50 Split Seat.

Find even more space at the press of a button. The **Electric Power Fold 3rd Row Seat** folds flat for a stable surface.

The **Power Tailgate** opens and closes at the touch of a button, so it's never been easier to pack in a heavy load of cargo behind the 3rd row, even when all seats are occupied.

Sunroof now in 2.2l Titanium.

Appreciate the great outdoors, even when you're indoors. At the touch of a button, Ford Endeavour's **Electric Panoramic Sunroof** opens up. Now experience life under the stars and sky.

Colours

Choose from an array of attractive colours for your Ford Endeavour and drive away with the one that appeals to you most.
